We went to Daphne to be with our daughter + family. We went through Camille and will not go through another hurricane. Camille was terrible. Katrina was worse. I hope I do not live to see another bad hurricane.

We have gotten some clothes but we do not have perfumes, scarfs, gloves and accessories. Also we could use a Blender. We would be happy with any one of those.

Please use back or another sheet of paper, if you want to write more. We want to hear your story. Thank You & God Bless
